

Amendments to the Drawings:

The attached sheet of drawings includes a change to Fig. 1. This sheet replaces the original sheet. Figure 1 has now been labeled "Prior Art".

REMARKS/ARGUMENTS

Claims 1-3 were in the application. In the last office action, objection was made to claim 1 for three instances of lack of antecedent basses. One other informality was also objected to. Claim 1 has now been amended to recite "a connecting sill" at line 14, "a first stop protrusion" at line 16, and "an upholding sill" at line 19, and "a fixed sill" at line 22.

As requested, a new Abstract has been prepared.

The prior art cited but not applied in the rejection is believed to be inapposite to the claims.

In view of the foregoing, it is respectfully submitted that the application is now in condition for allowance. Early and favorable action is earnestly solicited.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'H. Mandelbaum', is written over a horizontal line.
